

At Haven, we recognize that finding the right school for your child is one of the most challenging and important decisions that you will make as a parent. Our desire is to make this process as easy and helpful as possible. There are two ways to find out whether Haven is an excellent option for your family. Every Wednesday morning from 8:15AM-9:45AM, our campus is open to you, our potential parent partner, to evaluate our school while the school is operational. During your visit, Dr. Fox (our headmaster) will meet with you, provide a tour of the school, share his vision and philosophy, and then escort you to whatever classroom(s) you would like to observe. You are welcome to come back for multiple visits as necessary for you to make an informed decision. Your second evaluation tool is what we call the “New Family Information Meetings” (NFIM). A New Family Information Meeting is an evening event where we provide a formal presentation of our school (philosophy, history, organizational vision, etc.). During that event we also provide tours and an opportunity to ask questions in an open forum-type setting. During the NFIM, you will also be given an opportunity to interact with teachers, church staff and HCA parents. Our desire is to be as transparent about our educational services as possible in order that you may make a quality and informed decision on behalf of your child. We are looking for parent-partners that wholly buy in to who we are as a school, and we understand that your buy-in demands our transparency. We understand that Haven will not be the best fit for every child. However, for those where an excellent fit is obvious, our ultimate goal is a long-term and quality relationship that generates a parent-school partnership that enables your child to receive the most excellent education possible - to the glory of God and to the blessing of your child. Our hope is that together we will “Maximize Your Child’s God Given Potential.”

To attend a weekly HCA Open House or a New Family Information Meeting, please RSVP by contacting the academy office at (863) 293-0930 and make your reservations.
